### **Why Refer to Us?**

**At Lanoka Oaks Veterinary we have been part of the Lacey community for over 30 years. We earned the respect of our community by being honest employers, dedicated veterinary professionals and caring neighbors. We treat our pet families like our own and would truthfully like more clients just like you! We have emerged from the pandemic with increased hours, simplified processes and expanded services. We want to help as many animals in our community as possible, and we are hoping our referral program brings us one step closer to this goal.**

**Thank you, we look forward to caring for as many of the pets in our community as “pawsible!”**
